Greenhouse Gas Emission Verification Opinion

TEGHG16172-04

Contact Information of Company

Company Name : WUS PRINTED CIRCUIT CO., LTD.

Tel : 07-3612116

Mail Address : No. 37&39, KAI-FA ROAD, NANZI DIST.,
KAOHSIUNG CITY, TAIWAN, R.O.C.

Contact Information of Verification Body

Company Name : AFNOR ASIA, LTD.

Tel : 03-2200066

Mail Address : 20F-2, No. 102, Chung-Ping Road, Taoyuan, 330,
Taiwan R.O.C.

Summary of results of verification

This is to certify this case is in accordance with ISO 14064-3:2019 and current Taiwan MOENV regulations, and results of verification show no violation of substantive restrictions and are in accordance with the reasonable level of assurance approved by Taiwan MOENV.

Verification Criteria : Greenhouse Gas Emissions Inventory, Registration and Verification Management Regulations (2025.12.19), Greenhouse Gas Accreditation and Verification Bodies Management Regulations (2025.3.19), Guidelines for Greenhouse Gas Emissions Inventory Operations (2024 Edition), Greenhouse Gas Verification Guidelines (June 2024) and other related regulations of the MOENV.

Verification Scope : WUS PRINTED CIRCUIT CO., LTD. is located at No. 37&39, KAI-FA ROAD, NANZI DIST., KAOHSIUNG CITY, TAIWAN, R.O.C.; No. 42, JING 3RD ROAD, NANZIH DIST., KAOHSIUNG CITY, TAIWAN, R.O.C.; No. 22, JING 5TH ROAD, NANZIH DIST., KAOHSIUNG CITY, TAIWAN, R.O.C.; No. 11, JING 2ND ROAD, NANZIH DIST., KAOHSIUNG CITY, TAIWAN, R.O.C.; NO. 2, CENTRAL 2ND ST., NANZI DIST., KAOHSIUNG CITY, TAIWAN, R.O.C.; NO. 11, CENTRAL 2ND ST., NANZI DIST., KAOHSIUNG CITY, TAIWAN, R.O.C.; No. 21, JING 4TH ROAD, NANZIH DIST., KAOHSIUNG CITY, TAIWAN, R.O.C.; total of 7 factories.
(Factory's No.: 90N00485, Business Registered No.: NA)

Covering Period : 01-JAN-2025 ~ 31-DEC-2025

MOENV No. : E4900388, E4900753, E4901750

Verification Data : Based on GWP Collecting Emissions announced in the 5th edition Assessment Report of IPCC in 2013, total 47476.111 ton of CO₂ equivalent, including

- Direct GHG emissions(Category 1) : 5773.6876 ton of CO₂ equivalent
- Energy indirect GHG emissions(Category 2) : 41702.423 ton of CO₂e

Opinion of Verification : According to the verification process and procedure performed by the verifier, there is sufficient evidence shown that GHG claim of Company is no substantive difference and prepared based on international standards of GHG quantification, monitoring and report of verification criteria in the agreement, and GHG data and related information are presented impartially.

Verification Basis: The verification was conducted based on the GHG Inventory Report (Version 2 / Dated: 25-MAR-2026) and the GHG Inventory List (Version 2 / Dated: 25-MAR-2026) provided by the verified organization.

Limiting Factor: None (Reserved matters are listed by verification body, but verification data presented in this statement is still valid)

Power Factor : Citation from 2024's annual power factor announced by Energy Administration in APR, 2025

Factor of externally purchased electricity : NA

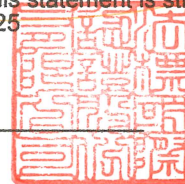

Factor of externally purchased steam : NA

Date of Verification : 16, 17, 25-MAR-2026

Signature of Verification Body _____

Date of Issuance : 21-MAY-2026

Lead Verifier : H.E. Yuan Chen

Verification Report (version : 1 / date : 26-MAR-2026)

Confidentiality Statement

This report and annex may include confidential information of Company. Except as the supporting documents of application for Taiwan MOENV related allowance approval, other individuals, groups, and companies are prohibited to copy or distribute by themselves without Company written agreement.

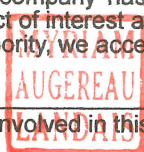

Statement of Conflict of Interest Avoidance

- (1) This is to certify this report and annex is fully in accordance with related regulations by Taiwan MOENV and relevant authorities, and verification process is conducted impartially and honestly. No unreal information exists, but if it appears, besides willing to bear joint and several liabilities for the losses of the government bodies, we accept administrative sanctions and criminal penalties judged on the basis of the law by the competent authority.
- (2) I realize I am a public official by the criminal law if the government bodies appoint me to perform public affairs, and I understand if I violate related regulations of mercenary crime in the criminal law, public official's published falseness and forgery of public documents, and Anti-Corruption Act, I am also applicable to the criminal law and Anti-Corruption Act and willing to accept the most severe legal sanctions.
- (3) This is to certify our company has not any financial and investment relationship with the verified body, and is in accordance with requirements of conflict of interest avoidance required by the competent authority. If there is violation of foregoing facts, and it is verified by the competent authority, we accept the punishment by the competent authority to invalidate this report and annex.
